Issue date: March 13, 2023

USPTO database searched; no conflicting marks found. The trademark examining attorney has searched the USPTO database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

Applicant must address issues shown below. The referenced application has been reviewed by the assigned trademark examining attorney. On March 13, 2023, the examining attorney and Matthew

Powelson discussed the issues below. Applicant must respond timely and completely to these issues. *See* 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Domicile Address

Applicant must clarify its domicile street address because the address of record appears to be an improper domicile address such as a commercial mail receiving agency, and does not appear to be applicant's permanent legal place of residence or principal place of business. *See* 37 C.F.R. §§2.11(b), 2.189; TMEP §601.01(b)(1). A domicile address must identify either (1) the permanent legal place of residence, which is the place an individual applicant resides and intends to be the applicant's principal home; or (2) the principal place of business, which is the juristic applicant's headquarters where its senior executives or officers ordinarily direct and control the entity's activities. *See* 37 C.F.R. §2.2(o)-(p); TMEP §803.05(a). All applications must include the applicant's domicile address, which is required for a complete application. *See* 37 C.F.R. §§2.22(a)(1), 2.32(a)(2), 2.189.

In this case, the application record lists applicant as a juristic entity and specifies applicant's domicile as a post office box or mail forwarding service instead of a street address. In most cases, a post office box or mail forwarding service is not acceptable as a domicile address because it does not identify the location of applicant's headquarters where the entity's senior executives or officers ordinarily direct and control the entity's activities. *See* 37 C.F.R. §2.2(o)-(p); TMEP §601.01(b)(1).

Response options. Applicant must provide its domicile street address. *See* 37 C.F.R. §2.32(a)(2), 2.189; TMEP §803.05. Alternatively, applicant may provide (1) documentation showing that the listed address is, in fact, applicant's domicile, or (2) a detailed explanation supporting that applicant has no fixed physical address. *See* 37 C.F.R. §2.11(b); TMEP §601.01(b)-(b)(1).

To provide applicant's domicile street address. After opening the correct Trademark Electronic Application System (TEAS) response form and entering the serial number, (1) answer "yes" to question 5 and click "Continue;" (2) on the "Owner Information" page, in the "Domicile Address" field, uncheck the box stating the domicile and mailing address are not the same; and (3) below the checkbox provide applicant's domicile street address. Applicant's domicile street address will be hidden from public view if it is entered into the "Domicile Address" field. However, any street address listed in the "Mailing Address" field will be publicly viewable.

To provide documentation to support applicant's domicile address. Applicant should provide the most recent documentation showing that the address is the applicant's business headquarters, for example one of the following: (1) the most recent final annual or quarterly report or other similar report; or (2) a current, valid signed rental, lease, or mortgage agreement for office space. TMEP §601.01(b)-(b)(1); *see* 37 C.F.R. §2.11(b). Submitted documentation must show the name, listed domicile address, and the date of the document but should redact other personal and financial information.

To provide this documentation, open the correct TEAS response form and enter the serial number, answer "yes" to question 3, and on the "Additional Statement(s)" page, below the "Miscellaneous Statement" field, click the button below the text box to attach documentation to support the U.S. street address.

To provide a detailed explanation that applicant has no fixed physical address. If applicant has no physical headquarters where its senior executives or officers ordinarily direct and control the business (e.g., because the business is conducted virtually), applicant should state for the record that applicant

has no fixed physical address and provide a detailed explanation of the circumstances.

To provide this explanation, open the correct TEAS response form and enter the serial number, answer “yes” to question 3, and on the “Additional Statement(s)” page, in the “Miscellaneous Statement” field, enter the referenced explanation in the text box.
